

Eating When Others Are Through

Is Not Gluttony, But Stuart's Dyspepsia Tablets Will Enable You to Have Such An Appetite.

In these days of high pressure most men and women eat very little and a good old fashioned eater sits at table after all have left it.

Landlady: "Ever since Jones took Stuart's Dyspepsia Tablets I've lost money on him."

If your stomach can not digest your food, what will? Where's the relief? The answer is in Stuart's Dyspepsia Tablets, because, as all stomach troubles arise from indigestion and because one ingredient of Stuart's Dyspepsia Tablets is able to thoroughly and completely digest 3,000 grains of food, doesn't it stand to reason that these tablets are going to digest all the food and whatever food you put into your stomach?

Stuart's Dyspepsia Tablets are carefully made to supply every element lacking in a system afflicted with dyspepsia, indigestion, gastritis, stomach trouble, etc., and to aid healthy systems to digest difficult food at unseasonable hours.

Just carry one of these little tablets in your purse or pocket. After every meal, no matter when eaten, you have always at hand the assistance that nature will relish and thrive upon.

In this manner, one may eat all manner of food, attend late dinners, etc., and feel no serious results afterwards.

Thousands of travelers always have a box of Stuart's Dyspepsia Tablets in their grips and are thus enabled to eat unaccommodated meals at any and all times.

Surely there is nothing so well adapted to sufferers from food follies as Stuart's Dyspepsia Tablets, and the greatest proof of this fact lies in the assurance that one can purchase a box at any drug store anywhere in this country.

A small sample package of Stuart's Dyspepsia Tablets will be mailed free to anyone who will address P. A. Stuart Co., 130 Stuart Bldg., Marshall, Mich.

Mr. Tirrell of the Bureau of Standards said the Board of Estimate in creating the bureau was in favor of paying the director \$7,500, the same amount that is paid the head of the Bureau of Franchises.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets Are a Harmless Substitute

Dr. Edwards' Olive Tablets — the substitute for calomel — is mild but sure in its action, and its effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids.

It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place. Most headaches, "dizziness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." Note how your "cloudy" complexion clears up and "perk up" the spirits. At 10c and 25c per box. All druggists.

ENGLAND'S QUEEN ACKNOWLEDG ARRIVAL OF THE JASON

Sends Letter of Thanks For Gifts on The Christmas Ship.

The arrival of the Christmas ship Jason at Ennfield Wednesday has particular interest for Norwich and other contributors to the gift ship. Through Mrs. Walter H. Page, wife of the American ambassador to Great Britain, Queen Mary has sent a letter of thanks for the Christmas gifts from American children to the children of soldiers in England and on the continent. The letter, dated York Cottage, Sandringham, Norfolk, Nov. 26, 1914, reads as follows:

Dear Sirs: Having heard of the approaching arrival of the steamship Jason, bringing Christmas gifts of warm clothing from the children of the United States to the children and other belated countries, I am anxious to express through you my warm appreciation of this touching proof of generous sympathy and to thank you to be so kind as to convey my heartfelt thanks to all who have contributed toward the presents, which will, I feel sure, be gladly welcomed by the children for whom they are intended, and received with gratitude by their parents.

Believe me, yours very sincerely, MARY R.

ENTERTAINMENT GIVEN AT SHETUCKET MILL CLUB.

Music on Edison Phonograph and Stereoscopic Slides.

A special programme was carried out at the Shetucket Mill club house on North Main street Thursday evening under the direction of Raymond H. Brewer, the general secretary, and there were about eighty present. The programme consisted of selections on an Edison Diamond Disc phonograph loaned by the Porteus and Mitchell company and there were a number of stereoscopic slides showing the industrial opportunities of the United States. The stereoscopic machine was operated by Fred Purvis and the slides were thoughtfully explained by Mr. Brewer.

The club now has a membership of about 25 which is considered very good for the short time it has been open, and many more are expected to join in the near future as the club offers exceptional opportunities for the educated residents, especially those of foreign birth, who are employed in the Shetucket mill.

TWO CALLS FOR FIRE DEPARTMENT'S SERVICES

Grass Fire Near Orchard Street—Shed Near the Point Saloon.

At 5:35 o'clock Thursday afternoon an alarm rang in front of 21 Broad street and Boswell avenue, called out the department for a small grass fire in the rear of Orchard street. The fire was quickly put out and the shed was run a few minutes after the alarm had been sent in. The auto-chemical, hook and ladder, the engine company at the central station and the chemical company No. 3 at the Falls responded.

Shortly before 7 o'clock Thursday evening a telephone message was received from the central station of a small fire in a shed near the Point saloon, corner of Boswell avenue and North Main street. The auto-chemical responded and but slight damage resulted from the fire.

THE MARRYING PARSON.

Rev. Joseph P. Brown of New London Probably Now Holds the Record.

The papers made a good deal of the fact that Rev. B. P. Apple, pastor of the Lutheran church at North Water Gap, Penn., who died Nov. 21st at the age of 82, had been a preacher for 52 years.

Apple had married 1,054 couples, baptized 2,213 persons, officiated at 1,229 funerals and preached 6,434 sermons.

Rev. Joseph P. Brown of New London, who was pastor of the Mooseup Baptist church for 23 years, and was 94 on October 27th last, probably holds the national record, now that Rev. Mr. Apple is dead. Elder Brown, on Wednesday evening, married his 72nd couple. He has officiated at 2,193 funerals, preached about 5,000 sermons, and has recorded the baptism of 856 candidates, although during the early years of his ministry he frequently baptized 15 or 20 at a time, of whom no record was made.

He has been in the ministry 67 years although retired from active pastoral work for a long time. Rev. Mr. Brown was born in Waterford, Oct. 27, 1820. He resides at 129 Huntington street, New London, with his daughter and gets about as actively as a man of 65.

THE CHURCH ABIDES.

And next the church abides. It has persisted through all human revolutions. At the fall of Jerusalem it only unfolded its service and having the uttermost parts of the earth for its possession. The blood of martyrs was its seed. It baffles all attempts at substitution as persecution, as the Emperor Julian found out. The men who sought the young child's life are dead.

The Bible Unshakable. The Bible is another of those unchangeable things. In these days it is blazing with a new light and men tried to persuade us were obsolete have suddenly blazed up in jets of flame. It is a great book for the dark valley of war. A sheet anchor for just such storms.

We are grateful for that. It was written in times of storm and stress and can help us to ride out the storm.

For Personal Blessings. Then, too, we can be thankful for personal blessings, for the comforts and conveniences of life, for friendship that abides, for peace within life, for prosperity of industry, for bread enough and to spare for the famishing and starving, for share in the world's

wide sympathy. And we should be grateful for the vision and promise that one day the earth will find peace at the feet of God and that the far off divine event for which the whole creation moves will be a reality and a fact to experience as well as to faith.
